WAIVER FOR GAS WELL WITHIN 600 FEET OF PROTECTED USES WITHIN THE CITY OF FORT WORTH

I, Louis F. Ruiz, am the owner of real property located at 3421 Bright Street, Fort Worth, Texas, more particularly shown on the map of record in Instrument Number D208288450, Plat records of Tarrant County, Texas or per Tax Tract Number 45270-2-5 Tarrant County, Texas and described as Block 2 Lot 5, in the Watkins Addition Subdivision. I understand the current Gas Drilling Ordinance of the City of Fort Worth requires that a Permit shall not be issued for any well to be drilled within six-hundred (600) feet from any residence, religious institution, hospital building, school building, school property line, or public park property line without a waiver granted by the City Council after notice and public hearing, or the written consent from all the protected use property owners within six-hundred (600) feet of the well filed in the applicable county deed records.

By this waiver, I hereby grant to Chesapeake Operating, Inc. permission to drill one or more gas wells closer than six-hundred (600) feet to the structure located on my property, but in any event, the gas well bore may not be located any closer than three-hundred (300) feet to any structure which would include a residence, religious institution, public building, hospital building on my property as measured in a straight line, without regard to intervening structures or objects, to the closest exterior point of the building.
